

2020 Over-the-Counter Benefits

Save time and money on over-the-counter (OTC) supplies

How do I order?

Order by mail

Complete an order form and mail it to the address at the bottom of the form.

Order by phone

Call [1-833-660-0908](tel:1-833-660-0908) (TTY:711). OTC Advocates are available Monday - Friday 8 am - 8 pm ET, to assist you.

Order online

Visit [Livewell.medline.com\vibrahealth](http://Livewell.medline.com/vibrahealth) to place your order online.

Allow 7 to 10 business days for your product(s) to arrive.

Your order will be applied to the benefit period in which your completed order form is received.

What is my allowance?

Receive \$30 or \$35 with any Vibra Health Plan every month in OTC drugs and supplies. That's a savings of between \$360-\$420 over the course of a year*! And Vibra Health Plan takes the hassle out of ordering, at no cost to you! Be sure to check your Evidence of Coverage (EOC) for your monthly allowance.

Your order will be applied to the month in which your order is received. For example, if you mail your order form on January 29, but we receive it on February 1, your order total will be applied to your February benefit.

*Based on a 12-month enrollment.

Important notes about your over-the-counter benefit

Your OTC benefit covers only the items included in this catalog.

Please note that certain items in this catalog may be covered under Medicare Part B or Part D. When the item is covered under Part B or Part D, you may not be able to use this OTC Benefit. If you have a question regarding your coverage, please contact Vibra Health Plan at [1-844-388-8268](tel:1-844-388-8268) (TTY users call 711).

OTC orders will be available beginning January 1, 2020. Orders for OTC items can be completed by phone, mail, or by ordering online through the plan's website.

OTC plan covered items are limited to the items included in this brochure. Items may be substituted for other items throughout the year as supplies may vary. Vibra Health Plan is only responsible for the monthly plan allowance for Vibra Health Plan Essential and Enhanced Complete PPO. Members will also have the option to purchase items that result in an amount over the plan's monthly allowance. However, Vibra Health Plan will pay up to the plan's monthly allowance for covered items listed in this brochure and members will be responsible for all costs over the monthly allowance.

Ordering information for over-the-counter pharmacy drugs and supplies will be available to members prior to January 1, 2020. Ordering instructions will be included in member's welcome packets.

Medline Industries, Inc. is the supplier of all the products in this catalog and can only answer questions pertaining to your order. Medical information regarding the use of these products should be directed to your physician.

Products in this catalog should only be ordered for the enrolled member.

If you place your order by mail, we will return a mail order form with your shipment.

If you have a change of address be sure to notify Vibra Health Plan.
